

WILLINGTON PARISH COUNCIL STATEMENT ON INTERNAL CONTROL  
FOR THE YEAR ENDING 31ST MARCH 2024

1. SCOPE OF RESPONSIBILITY

Willington Parish Council is responsible for ensuring that its business is conducted in accordance with the law and that public money is safeguarded, properly accounted for, and used economically, efficiently and effectively.

Councillors, as servants of the public, take seriously and operate to the seven standards of public life as set down by Lord Nolan; these are selflessness, integrity, objectivity, accountability, openness, honesty, and leadership.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. **The system of internal control has been in place at the Council for the year ended 31st March 2024.**

3. THE INTERNAL CONTROL ENVIRONMENT

a. The Council:

The Council has appointed a Chairman who is responsible for the smooth running of meetings and for ensuring that all Council decisions are lawful.

The Council will usually meet at least six times each year, and monitors progress against its aims and objectives at each meeting by receiving reports from Councillors and the Clerk to the Council. Council receives a regular report on outstanding financial and non-financial matters. Extraordinary Meetings may be scheduled if required, for example to discuss planning applications between scheduled Council meetings.

The Council carries out regular reviews of its internal controls, systems, and procedures.

The Clerk also ensures that the Council's procedures, control systems and policies are adhered to. The Clerk is appropriately qualified.
