

**INTERNAL AUDIT REPORT**  
**WILLINGTON PARISH COUNCIL**  
**2022/23**

The internal audit of Willington Parish Council was carried out by undertaking the following tests in the AGAR Annual Return for Local Councils in England:

- Checking that books of account have been properly kept throughout the year
- Checking a sample of payments to ensure that the Council's financial regulations have been met, payments are supported by invoices, expenditure is approved, and VAT is correctly accounted for
- Reviewing the Council's risk assessment and ensuring that adequate arrangements are in place to manage all identified risks
- Verifying that the annual precept request is the result of a proper budgetary process; that budget progress has been regularly monitored and that the council's reserves are appropriate
- Checking income records to ensure that the correct price has been charged, income has been received, recorded and promptly banked and VAT is correctly accounted for
- Reviewing petty cash records to ensure payments are supported by receipts, expenditure is approved and VAT is correctly accounted for
- Checking that salaries to employees have been paid in accordance with Council approvals and that PAYE and NI requirements have been properly applied
- Checking the accuracy of the asset and investments registers
- Testing the accuracy and timeliness of periodic and year-end bank account reconciliation(s)
- Year end testing on the accuracy and completeness of the financial statements

**Conclusion**

On the basis of the internal audit work carried out, which was limited to the tests indicated above, in our view the council's system of internal controls is in place, adequate for the purpose intended and effective, subject to the recommendations reported in the action plan overleaf.

As part of the internal audit work for the next financial year we will follow up all recommendations included in the action plan.

1	The council did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision for the exercise of public rights for the 2021/22 accounts. The public notice announcement date was the same date as the commencement date of the public notice period.	<i>The council must comply with the requirements of the Accounts and Audit Regulations 2015 with respect to the notice for the exercise of public rights. The public notice announcement date must be at least one day earlier than the commencement date of the public notice period.</i>	<b>The evidence we provided shows:</b> <ul style="list-style-type: none"> <li>- <b>Photographic evidence of the public notice, AGAR etc. actually posted on our Notice Board on 12.6.2022 i.e. one day prior to the commencement date of the public notice period (although clearly the dates on the form were incorrect).</b></li> </ul> <b>Of course 2022-23 public rights will be posted with the correct dates on the 2022-23 form.</b>
2	The 2022/23 AGAR contains the incorrect comparative from 2021/22 for Box 6. The current figure of £2318 needs to be amended to £5001.	<i>The 2022/23 AGAR should be corrected as noted.</i>	<b>Corrected as required. Revised AGAR 2022/23 form provided.</b>
3	The income cashbook information included in the 2022/23 full year spreadsheet totals £17129.81 for non-precept income and excluding reserve transfers, however, £17138 is disclosed as 'Other Income' in the 2022/23 AGAR.	<i>The council need to review the accounts and ensure that total income per the cashbook is consistent with the bank reconciliation and the AGAR accounts. The best way to demonstrate this from year to year is to include total income and payments in a cumulative bank</i>	<b>An incorrect figure was provided for Bank Interest income for 2022-2023. It should have been £64.60; this revises the income figure to £17137.67 which rounds to £17138 i.e. that on the AGAR form. A revised copy of the 2022-23 accounts and a copy of the Certificate of</b>
